INDEPENDENT AUDITORS' REPORT

To the Honorable Chairman of the County Board, The Clerk of the Circuit Court, and Members of the County Board Lake County, Illinois

Report on the Financial Statements

We have audited the accompanying financial statements of the Lake County Circuit Clerk ("Circuit Clerk"), an agency fund of Lake County, Illinois, as of and for the year ended November 30, 2015, and the related notes to the financial statements which collectively comprise the Lake County Circuit Clerk's financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control over financial reporting relevant to the Lake County Circuit Clerk's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Lake County Circuit Clerk's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Lake County Circuit Clerk agency fund as of November 30, 2015, and the changes in assets and liabilities for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the Lake County Circuit Clerk agency fund and do not purport to, and do not, present fairly the financial position of Lake County, Illinois, as of November 30, 2015, the changes in its financial position or, where applicable, its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the financial statements. Such missing information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. Our opinion on the financial statements is not affected by this missing information.

Supplementary Information

Our audit for the year ended November 30, 2015 was conducted for the purpose of forming an opinion on the financial statements as a whole. The Detailed Schedule of Changes in Liabilities and Report J - Annual Financial Report are presented for purposes of additional analysis required by the Administrative Office of the Illinois Courts and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements for the year ended November 30, 2015, and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Detailed Schedule of Changes in Liabilities and Report J - Annual Financial Report are fairly stated in all material respects, in relation to the financial statements as a whole for the year ended November 30, 2015.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 29, 2016 on our consideration of the Lake County Circuit Clerk's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Lake County Circuit Clerk's internal control over financial reporting and compliance.

Lake County, Illinois

NOTES TO FINANCIAL STATEMENTS As of and for the Year Ended November 30, 2015

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Lake County Office of the Circuit Court Clerk (Circuit Clerk), an agency fund of Lake County, Illinois (County), have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Circuit Clerk's accounting policies are described below.

A. REPORTING ENTITY

The activities of the Circuit Clerk are accounted for primarily within an agency fund of the County. Operating expenditures such as personnel services, commodities, etc. are accounted for within the County's General Fund. This report is intended to present the Agency Fund activities of the Circuit Clerk only and is not intended to present fairly the financial position of the County, and changes in its net position and its cash flows.

B. FUND ACCOUNTING

The Circuit Clerk uses an Agency Fund to report on its financial position. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

A fund is a separate accounting entity with a self-balancing set of accounts.

Funds are classified into separate "fund types." This report includes only the Fiduciary Fund Type (Agency Fund) of the Circuit Clerk.

Fiduciary funds are used to account for assets held on behalf of outside parties, including other governments. Agency Funds generally are used to account for assets that the Circuit Clerk holds on behalf of others as their agent.

C. BASIS OF ACCOUNTING

Agency Funds are custodial in nature and do not present results of operations or have a measurement focus. Agency Funds are accounted for using the accrual basis of accounting.

D. DEPOSITS AND INVESTMENTS

Permitted Deposits and Investments – Statutes authorize the Circuit Clerk to make deposits/invest in commercial banks, savings and loan institutions, obligations of the U.S. Treasury, obligations of states and their political subdivisions, credit union shares, repurchase agreements, commercial paper rated within the three highest classifications by at least two standard rating services, and The Illinois Funds.

NOTES TO FINANCIAL STATEMENTS As of and for the Year Ended November 30, 2015

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

D. DEPOSITS AND INVESTMENTS (cont.)

The Circuit Court follows the County's investment policy. The County's investment policy, which is more restrictive than Illinois State Statutes, authorizes the County to invest in any of the types of accounts or securities listed below:

- 1. Bonds, notes, certificates of indebtedness, treasury bills, or other securities, which are guaranteed by the full faith and credit of the United States of America.
- Interest-bearing checking or savings accounts, interest-bearing certificates of deposit, or interest-bearing time deposits constituting direct obligations of any bank as defined by the Illinois Banking Act and only those insured by the Federal Deposit Insurance Corporation (FDIC).
- Forms of security legally issuable by savings and loan associations incorporated under the laws of the State of Illinois or any other state or under the laws of the United States, only in those savings and loan associations insured by the FDIC, and not to exceed the maximum amount insured by the FDIC.
- 4. Insured dividend-bearing share accounts, share certificate accounts, or class of share accounts of a credit union chartered under the laws of the State of Illinois or any other state or under the laws of the United States, only in those credit unions insured by the National Credit Union Administration (NCUA) and not to exceed the maximum amount insured by the NCUA.
- 5. Repurchase agreements (Illinois Compiled Statutes Chapter 30-235/2).
- 6. Illinois Funds (money market fund managed by the Treasurer of the State of Illinois).

The County's investment policy contains the following guidelines for allowable investments:

Custodial Credit Risk

The County will not maintain any funds at a financial institution that is not a member of FDIC or NCUA. In addition, the policy requires the County to maintain funds in financial institutions willing and capable of collateralizing all funds in excess of FDIC and NCUA limits.

E. BOND ESCROW

In accordance with the applicable state statute, certain offenses require the defendant in a criminal procedure to post bail. The person for whom bail has been set executes the bail bond and deposits with the Circuit Clerk a sum of money equal to 10% of the bail, or \$25, whichever is greater. When a person for whom bail has been set is charged with an offense under the "Illinois Controlled Substances Act" which is a Class X felony, the court may require the defendant to deposit a sum equal to 100% of the bail. The Circuit Clerk holds such bond monies in escrow until such time as the court demands that the bond is forfeited or refunded.

F. Due to Other Governments

Amounts held by the Circuit Clerk representing fees, fines and other charges assessed by other governments have been reported as Due to Other Governments until their subsequent disbursement to the related government.

Lake County, Illinois

NOTES TO FINANCIAL STATEMENTS As of and for the Year Ended November 30, 2015

NOTE 2 – DEPOSITS

The Circuit Clerk's cash at year end was comprised of the following:

	 Book Balance	 Bank Balance	Associated Risks
Demand deposits	\$ 9,865,337	\$ 10,678,411	Custodial credit risk
Total Cash	\$ 9,865,337	\$ 10,678,411	

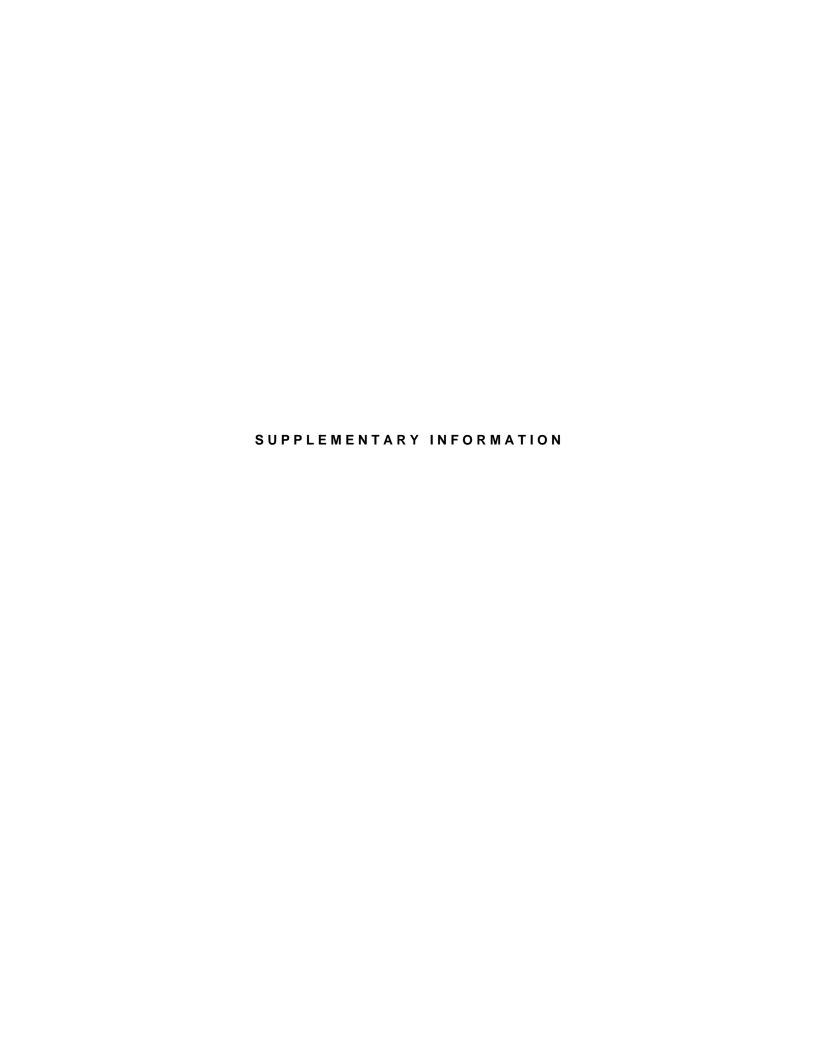

The difference between the bank balance and carrying value is due to outstanding checks and/or deposits in transit.

The Circuit Clerk maintains collateral agreements with its banks. At November 30, 2015, the banks had pledged various government securities in the amount of \$6,928,601 to secure the Circuit Clerk's deposits.

Custodial Credit Risk

Deposits – Custodial credit risk is the risk that in the event of a financial institution failure, the Circuit Clerk's deposits may not be returned to the Circuit Clerk.

The Circuit Clerk does not have any deposits exposed to custodial credit risk.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Independent Auditors' Report

To the Honorable Chairman of the County Board, The Clerk of the Circuit Court, and Members of the County Board Lake County, Illinois

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Lake County Circuit Court Clerk (Circuit Clerk), an agency fund of Lake County, Illinois, as of and for the year ended November 30, 2015, and the related notes to the financial statements, which collectively comprise the Circuit Clerk's financial statements, and have issued our report thereon dated February 29, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Circuit Clerk's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Circuit Clerk's internal control. Accordingly, we do not express an opinion on the effectiveness of the Circuit Clerk's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described below, we identified a certain deficiency in internal control over financial reporting that we consider to be a material weakness.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiency described below to be a material weakness. This material weakness is item 2015-001.

ITEM 2015 -001 INHERENT LIMITATIONS OF THE CRIMS SYSTEM

Criteria: To ensure accurate financial reporting, the financial accounting system should be able to report amounts in sufficient detail to support account balances, and it should be able to produce a balanced trial balance. The detail allows the user of the system to be certain that account balances are being accurately reported, and the trial balance allows the user to be certain that all transactions are being reported in the financial statements.

Condition: The CRIMS computer system is not able to report the cash details that have been collected or settled during the month, a detailed list of bonds outstanding at year-end, nor is it able to produce a trial balance that can be used for financial reporting.

Cause/Effect: The Circuit Clerk uses a software program ("CRIMS") to account for the citations issued as well as the accounting transactions, including cash receipts and disbursements. CRIMS was designed to be a case management and citation tracking software system and has been used for many years. This system is able to produce various reports which document cash receipts in total, cash disbursements in total, and a variety of non-financial information. Due to the size of the transaction file and limitations on the mainframe capabilities, the CRIMS system is not able to produce a trial balance or detailed transaction reports.

Recommendation: We recommend the Circuit Clerk continue to search for options, including alternative court systems that could be useful in addressing the current limitations of the financial reporting capabilities of the CRIMS system.

Management's Response:

As stated in the Cause/Effect above, our CRIMS system was designed to manage Court Records and fees and not to provide detailed financial reports for business-accounting audit. We agree with the auditor's conclusions that to produce the requested reports or trial balances would be both unmanageable and cause problems for the users of our systems. Though we agree that our system is neither capable of producing a trial balance nor producing the requested reports, the system was not designed for financial reporting in a way that non-judicial business systems are normally configured. However, we will continue to work with our auditors on producing such reports and substitute information and data in order to facilitate future audits.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Circuit Clerk's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Circuit Clerk's Response to Finding

The Circuit Clerk's response to the finding identified in our audit was not subjected to the auditing procedures applied in an audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

To the Honorable Chairman of the County Board, The Clerk of the Circuit Court, and Members of the County Board Lake County, Illinois

Report on Compliance with Circuit Clerk Statute Listing Criteria

We have examined the Lake County Circuit Clerk's compliance with Circuit Clerk statute listing criteria (listed as items A through E below) for the year ended November 30, 2015.

- A. Whether the Circuit Clerk has properly assessed fines, fees, costs, penalties and judgments in accordance with the purpose authorized by law.
- B. Whether the Circuit Clerk has properly distributed fines, fees, costs, penalties, and judgments in accordance with the purpose authorized by law.
- C. Whether the Circuit Clerk has timely assessed and distributed monies in accordance with the purpose authorized by law.
- D. Whether the Circuit Clerk has complied, in all material respects, with applicable laws and regulations in its financial and fiscal operations.
- E. Whether the Circuit Clerk has properly and legally administered money or negotiable securities or similar assets and the accounting and recordkeeping relating thereto has been proper, accurate, and in accordance with the law.

Management's Responsibility

Management is responsible for compliance with the requirements of laws and regulations applicable to the Office of the Circuit Clerk.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance based on our examination of the types of compliance requirements referred to above. We conducted our examination in accordance with attestation standards established by the American Institute of Certified Public Accountants, the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States; the annual audit requirements included in the Clerks of Courts Act; and the *Circuit Clerk Audit Guidelines* as noted by the Act; and, accordingly, included examining, on a test basis, evidence about the Circuit Clerk's compliance with those requirements listed in the first paragraph of this report and performing such other procedures as we considered necessary in the circumstances.

We believe that our examination provides a reasonable basis for our opinion on compliance with the requirements referred to above. However, our examination does not provide a legal determination of the Lake County Circuit Clerk's compliance.

Opinion

In our opinion, the Circuit Clerk complied, in all material respects, with the types of compliance requirements referred to above for the year ended November 30, 2015.

Report on Internal Control Over Compliance

Management of Lake County Circuit Clerk is responsible for establishing and maintaining effective internal control over compliance with requirements listed in the first paragraph of this report. In planning and performing our examination, we considered Lake County Circuit Clerk's internal control over compliance that could have a direct and material effect on the requirements listed in the first paragraph of this report to determine our examination procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with the requirements listed in the first paragraph of this report, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance.

Accordingly, we do not express an opinion on the effectiveness of Lake County Circuit Clerk's internal control over compliance.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified a certain deficiency in internal control over compliance that we consider to be a material weakness.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with a type of compliance requirement on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement will not be prevented, or detected and corrected on a timely basis. We consider the deficiency in internal control over compliance described below to be a material weakness.

REQUIRED COMMUNICATION BY THE AUDITOR TO THOSE C	HARGED WITH GOVERNANCE

Baker Tilly Virchow Krause, LLP 205 N Michigan Ave Chicago, IL 60601-5927 tel 312 729 8000 fax 312 729 8199 bakertilly.com

To the Honorable Chairman of the County Board, The Clerk of the Circuit Court, and Members of the County Board Lake County, Illinois

Thank you for using Baker Tilly Virchow Krause, LLP as your auditor.

We have completed our audit of the financial statements of the Lake County Circuit Clerk (Circuit Clerk), an agency fund of Lake County, Illinois, as of November 30, 2015, and have issued our report thereon dated February 29, 2016. This letter presents communications required by our professional standards.

OUR RESPONSIBILITY UNDER AUDITING STANDARDS GENERALLY ACCEPTED IN THE UNITED STATES OF AMERICA, GOVERNMENT AUDITING STANDARDS, ATTESTATION STANDARDS AND THE CIRCUIT COURT AUDIT GUIDELINES

The objective of a financial statement audit is the expression of an opinion on the financial statements. We conducted the audit in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*. These standards require that we plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements prepared by management with your oversight are free of material misstatement, whether caused by error or fraud. Our audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. Our audit does not relieve management or those charged with governance of their responsibilities.

As part of the audit, we obtained an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing and extent of further audit procedures. The audit was not designed to provide assurance on internal control or to identify deficiencies in internal control.

We also considered internal control over compliance with requirements that could have a direct and material effect on the financial statements in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with Circuit Clerk statutes and the Circuit Clerk Audit Guidelines as noted by the Clerks of Courts Act.

As part of obtaining reasonable assurance about whether the Lake County Circuit Clerk's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants. However, providing an opinion on compliance with those provisions is not an objective of our audit. Also, our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants, the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States; the annual audit requirements included in the Clerks of Courts Act; and the Circuit Clerk Audit Guidelines as noted by the Act; and, accordingly, included examining, on a test basis, evidence about the Lake County Circuit Clerk's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination of the Lake County Circuit Clerk's compliance with specified requirements.

OTHER INFORMATION IN DOCUMENTS CONTAINING AUDITED FINANCIAL STATEMENTS

Our responsibility does not extend beyond the audited financial statements identified in this report. We do not have any obligation to and have not performed any procedures to corroborate other information contained in client prepared documents, such as official statements related to debt issues.

PLANNED SCOPE AND TIMING OF THE AUDIT

We performed the audit according to the planned scope and timing previously communicated to the County Board in our letter dated December 4, 2015.

QUALITATIVE ASPECTS OF THE ENTITY'S SIGNIFICANT ACCOUNTING PRACTICES

Accounting Policies

Management has the responsibility for selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Lake County Circuit Clerk are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2015. We noted no transactions entered into by the Circuit Clerk during the year that were both significant and unusual, and of which, under professional standards, we are required to inform you, or transactions for which there is a lack of authoritative guidance or consensus.

Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no estimates used in the preparation of the financial statements.

Financial Statement Disclosures

The disclosures in the notes to financial statements are neutral, consistent, and clear.

DIFFICULTIES ENCOUNTERED IN PERFORMING THE AUDIT

We encountered no significant difficulties in dealing with management in performing our audit.

CORRECTED AND UNCORRECTED MISSTATEMENTS

Professional standards require us to accumulate all known and likely misstatement identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management.

There were no such misstatements identified.

DISAGREEMENTS WITH MANAGEMENT

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

CONSULTATIONS WITH OTHER INDEPENDENT ACCOUNTANTS

In some cases, management may decide to consult with other accountants about auditing and accounting matters. If a consultation involves application of an accounting principle to the governmental unit's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

MANAGEMENT REPRESENTATIONS

We have requested certain representations from management that are included in the management representation letter. This letter follows this required communication.

INDEPENDENCE

We are not aware of any relationships between Baker Tilly Virchow Krause, LLP and the Lake County Circuit Clerk that, in our professional judgment, may reasonably be thought to bear on our independence.

Relating to our audit of the financial statements of the Lake County Circuit Clerk for the year ended November 30, 2015, Baker Tilly Virchow Krause, LLP hereby confirms that we are, in our professional judgment, independent with respect to the Lake County Circuit Clerk, in accordance with the Code of Professional Conduct issued by the American Institute of Certified Public Accountants and provided no services to the Lake County Circuit Clerk other than audit services provided in connection with the audit of the current year's financial statements and the nonaudit services of financial statement preparation, which, in our judgment, does not impair our independence.

The nonaudit services do not constitute an audit under generally accepted auditing standards, including *Government Auditing Standards*.

OTHER AUDIT FINDINGS OR ISSUES

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as Lake County Circuit Clerk's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

OTHER MATTERS

We were engaged to report on the supplementary information. With respect to the supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

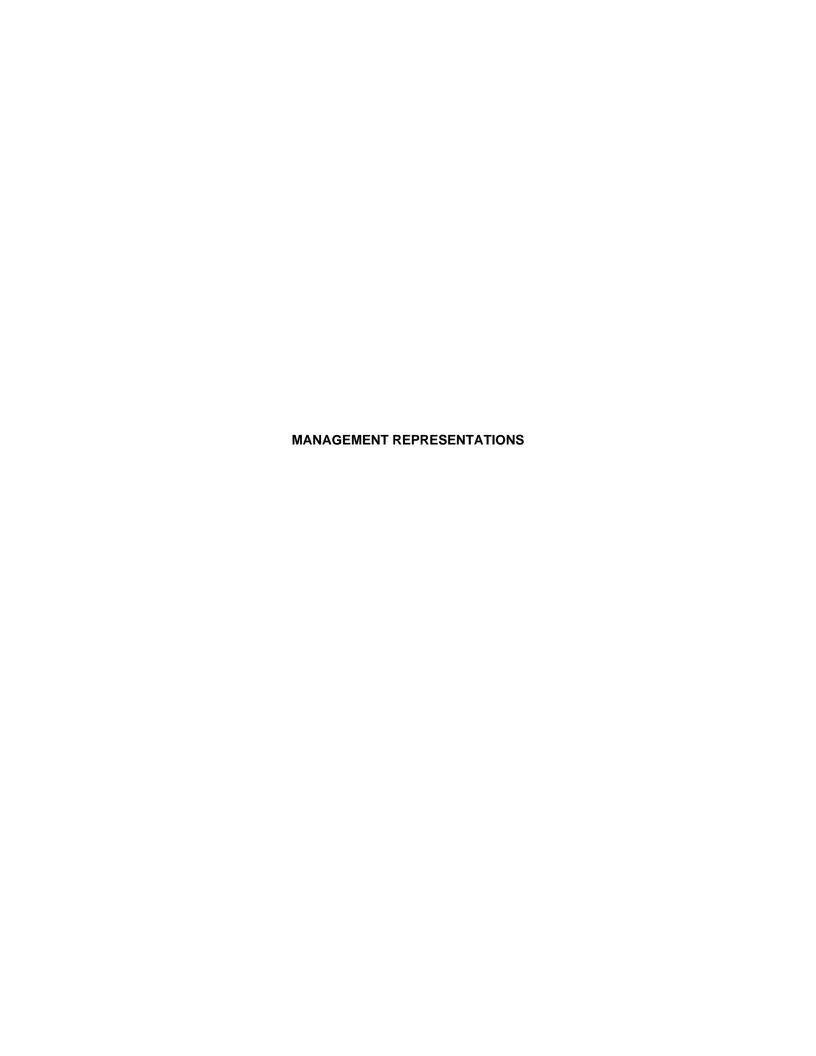

RESTRICTIONS ON USE

This information is intended solely for the use of the County board, the Clerk of the Circuit Court, management, the pass-through agencies of the State of Illinois, the Illinois General Assembly, and the Governor of the State of Illinois, and is not intended to be, and should not be, used by anyone other than the specified parties.

We welcome the opportunity to discuss the information included in this letter and any other matters. Thank you for allowing us to serve you.
